

Call for Applications

Friedrich Hartmut Dost-Award

In memory of Prof. Dr. med. Friedrich Hartmut Dost, who was one of the pioneers of pharmacokinetics and Head of the Departments of Paediatrics of the Universities of Gießen and Berlin, the German Society of Clinical Pharmacology and Therapy e.V. awards the Friedrich Hartmut Dost-Award for outstanding achievements in scientific research in clinical pharmacology.

The award supports research work in clinical pharmacology in Europe; it is granted every second year. The donation amounts to 5000 Euro. Only in exceptional circumstances will the award be divided.

The award is granted for the sixth time. The celebration will take place during the 14th Annual Meeting of the German Society of Clinical Pharmacology and Therapy, which is held together with the 6th Annual Meeting of the German Clinical Pharmacologists (4-6 November 2004) in Stuttgart.

The jury will consist of the president of the German Society of Clinical Pharmacology and Therapy, the secretary of the supporting organization, and three scientists of other medical disciplines.

The final deadline for submitting applications is Saturday, July 31, 2004.

For detailed information, please contact the secretary of the society, Prof. Dr. Drewelow (Tel.:+49-381-4945780, Fax: +49-381-4945782; e-mail: bernd.drewelow@med.uni-rostock.de).

Applications should be sent by registered mail to:

Prof. Dr. med. I. Roots
