

EPHAR 2008

Manchester, U.K., 13-17 July 2008

The 2008 Congress will be held in a new world-class conference venue, the SCAN Building on Oxford Road, at the heart of The University of Manchester campus, just 1 mile from the city centre. Features include:

- 1,100 seat semi-circular auditorium
- Exhibition area and catering facilities
- Over 20 seminar rooms
- Car parking close by

Manchester is a city steeped in history, with a rich culture, and a cosmopolitan outlook. The city lies at the crossroads of the country's motorway and rail network, and Manchester International Airport, the U.K.'s 3rd largest, offers routes to over 180 destinations worldwide
